One Zambia One Nation...

the main lesson we learnt.

One Zambia One Nation...

it's deeper than just words.

It means we're all Zambians regardless of where we come from, and the programme really captured the essence of this.

The whole of Jaamia, from different parts of the world, celebrating Zambia, and the love we felt for Zambia was through

Each teacher and student stood in support of those from other nations as they too were given the chance to express their love for their countries, reciting their respective national anthems, from Malawi, Mozambique and Tanzania to India, Pakistan and Qatar.

We decorated our hall with the deeply significant colours of our flag, forming the flag with celebrative balloons, expressing our joy.

Some of the beautiful languages of Zambia were appreciated and highlighted as our anthem was not only recited in English, but in Bemba and Nyanja too, as well as the recitation of a poem in Bemba, praying for our Lord to bless our people.

Following this, we expressed what we love of Zambia, from its beautiful nature to its Ulama and our Jaamia itself.

One of our well-known anthems, TIYENDE PAMODZI, was recited with full zeal, nearing the end of the programme.

We had the most perfect and beautiful conclusion to our programme, our Jaamia Zainab Tarana led by some of our esteemed Muallimaat and followed passionately by the rest of us present. A tribute to the founder of our home, the pinnacle of our Spiritual growth, the roots of the tree of our abode.
