

The day arrived,
24th September, 2022
Jaamia Zainab's annual day of
appreciating our
Mothers

The hall was set up with the utmost
love and thoughtfulness, keeping
our beloved mummies in mind.

HEARTS, ROSES, BLUE, PINK AND
PURPLE...

*Colourful
and
beautiful
just like their
love.*

Beginning with the Kalaam of Allah SWT
and an adorable nasheed by

the Angels of our Jaamia

THE HIFDH CLASS

we set off in our attempt to
express our love for
our dearest mothers

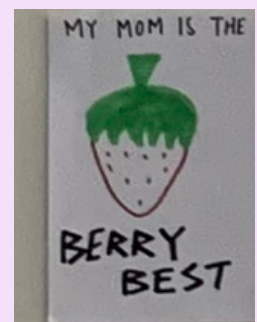

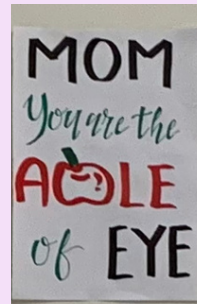

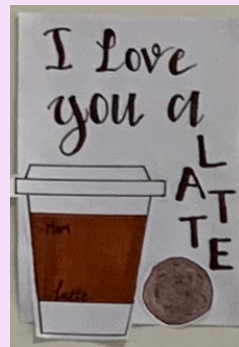

After a beautiful poem and
an emotional Urdu nasheed,
the Amma class

"and their "
"I love you"

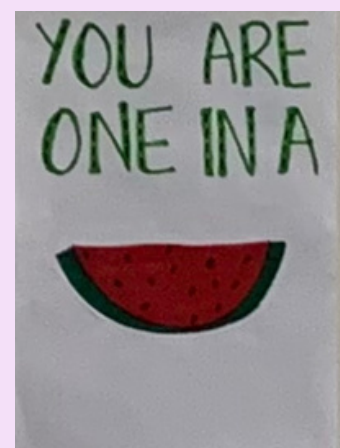

to their mothers in different
languages each, from Gujarati to
CiNyanja left the audience in tears.
"NDI KUKONDA MANINGI
MAMA"

Numerous dedications were delivered straight from the hearts of the daughters to their mothers.

Several more love-filled nasheeds were performed including an original nasheed written by the students in Ci Nyanja which really touched the hearts.

Mothers too were given the chance to say unspoken words to their daughters, from giving naseehat to sharing sweet stories to expressing their love from the bottom of their hearts.

Heart-touching plays from both teachers and students made us realize that we must appreciate the blessing of having our mothers before it's too late.

Mother daughter bonds were re-ignited and we really came to appreciate our gifts from Allah SWT, **OUR MOTHERS** Truly there is no one like a mother.
