

SPORTS DAY

6th Sports Day | By : Amatullah K

On **Saturday, the 3rd September 2022**, Jaamia Zainab held their most energy-filled event of the year; the **6th Sports Day**. The team's pens were brightly coloured; red, green and blue. A friendly skipping race was the first game to kick start the event.

A couple of races later, it was time for the highly anticipated **baseball finals**. The pressure was high as the finalists, **Duraïd** and **Dharees** stepped onto the field. All teams cheered on the players with love and enthusiasm throughout the game. The competition was tight. To everyone's surprise, **Dharees** victoriously won the finals! The entire team burst out screaming in joy.

The dedication and excitement that was displayed by the **Fitness Connection** team was really appreciated as it added to the fun atmosphere. Their enthusiasm, despite the taxing nature of many races deserves an applaud. A big MashaAllah and JazakumUllahu Khairan to them for taking part and playing so well. We look forward to seeing them at many Sports Days to come.

One of the highlights of the program were the stalls. A variety of delicious food and sweet treats were on sale. An array of clothing from beautiful dresses to cozy hoodies. Refreshing drinks and ice-lollies were available, too, perfect for the warm weather. They all made the entire day much more enjoyable.

The most awaited moment was finally here. It was time for the winner to be announced. **The first place cup was won once again by the blue team, Dharees!** Followed closely by **Duraid**, then **Buraq**. The teams then went for a celebratory lap around the field, as everyone cheered for them. Medals were presented to each individual to show deep appreciation to them.

To end off the great day on a sweet note, creamy cakes decorated **green, blue and red** were given to each team by the **Fitness Connection** Team.
