

'Allahu Matlooby'

By Habibatullah

Allahu Matlooby
Ya Allah Ya Rabby
Ya Raheem Ya Matlooby

Ya Allah I wish to find You,
I wish my heart would remind me of You.

I want it to call Your Name in every second of the day,
I wish it would only and only obey.

I wish it wasn't dirty but smelled like roses,
In which your love blooms and thereafter flourishes.

'Allahu Matlooby'

I wish it pumped only with your love,
Beating and beating like it never before lived.

I wish disobeying You brought it discomfort,
Aching with remorse till You forgive.

I love You Ya Rabby, such is my claim,
Please grant me full honesty, in this is my gain.

Rabby I need You, You don't need me,
But You love me and thus please accept me.

I wish to know You, drown in Your Tajallee,
Oh Allah through Your Habeeb ﷺ and His love
for me, please do accept me.

Please take me to my Nabee ﷺ,
Please call me to Your House,

Please fill my heart with peace,
Please make my heart Your house.

Aameen Ya Rabbal Aalameen.
