THE NAQSHBANDI IJTEMA 2023

By-: Umm Mohammed Ismaeel

We embarked upon a journey profound,

Hoping and praying Allah could be found.

In sacred space our spirits soared,

Praying for long lost connections to be restored ,

A tapestry woven, souls entwined,

A spiritual time, one of a kind.

Under the gentle moon's shimmering light,

Tahajjud and tears throughout the night.

Remorseful ,seeking forgiveness with delight,

Transcending darkness, embracing inner sight.

Hearts aching and yearning for Allah's love,

Trying to absorb all the blessings thereof,

Our Ahlulah, beacons of wisdom and grace,

Guided us to find our rightful place.

Through lectures filled with sincere Guidance

Softening hearts, bringing forth compliance,

Their words, like pure streams flowed so true,

Illumining our hearts, like dawn's first hue.

We renewed our intentions, embraced by love,

Witnessing divine blessings from above.

In Muraqaba ,sublime moments of reflection ,

Each breath, a divine introspection.

Encircled by the nisbah of our pious,

Releasing worries, burdens, and malice.

The Naqshbandi nisbah cast a gentle glow,

As our Hazratjee's faidh continued to flow.

Hazratjee's duas a navigator through life's storm,

Guiding us to the path where hearts conform.

The ijtema's embrace, a balm for the soul,

A time for change , making each heart whole.

Grateful we were for this divine retreat,

Where love and wisdom found us complete.

Our hearts illumined, forever changed,

By the guidance of Hazratjee, so rearranged.
